[PASS] Correctly reports OAI-PMH protocol version 2.0
[PASS] basePath supplied matches the Identify response
[PASS] Datestamp granularity is 'days'
[PASS] earliestDatestamp is 2002-01-01

This repository has passed initial validation. An email message has been sent to the administrator's email address shown above which includes a URL to continue validation and/or registration. The purpose of this is to ensure that only the repository administrator can change the registration record of a repository, and to avoid the excessive use of the validation script by some third party.
